

**Montana Financial Education Coalition  
2014 Statewide Conference- Financial Security for Life**

**Mini-Grant Application**

The Montana Financial Education Coalition is proud to promote local efforts to expand financial education across our state. We hope that through this mini-grant organizations will be able to implement activities in their communities with an emphasis on Financial Literacy Awareness. We encourage financial education activities at any time throughout the year. Grant funds must be utilized by the end of December 31, 2014.

The mini-grants are to augment your existing activities or implement a new strategy or program. We ask that each organization receiving a mini-grant provide a synopsis of the impact the mini-grant had on their program and community. We would love pictures of activities, participants and program materials, as well. This will allow us to report back to funding organizations and hopefully build this mini-grant program so that future grants may be offered to more communities across the State of Montana.

Please provide the following information in a separate document and send it postmarked by the application deadline of **May 31, 2014** to:

Diana Holshue  
Federal Reserve Bank, Helena Branch  
100 Neill Avenue  
Helena, Montana 59602
