MFEC Steering Committee / Team Leader Meeting Minutes

June 16, 2004
10:00 a.m. – 12:00 p.m.
via conference call
(Action items in bold)

Present: Marsha Goetting, Karen Dunn, Garth Ferro, Tom Jacobson, Scott Morrison, Jessie Lundberg, Diana Fiedler, Al Ward, Maria Valandra and Sue Woodrow.

1. **Coalition Name:** Garth shared the Marketing Team’s recommendation for a coalition name, and the process and thoughts behind the team’s recommendation including discussions with members of the Idaho coalition, also a Jump$tart affiliate. No objections were raised. The name of the coalition will remain “Montana Financial Education Coalition.” **The Marketing Team will continue to work on ideas for an appropriate tag line to incorporate the Jump$tart brand.** As a priority item, the Marketing Team will also continue to work on “branding,” including recommendations for a logo, so that future editions of the newsletter, other types of correspondence, etc, will be identifiable with that “brand.”

2. **Survey:** Jessie reviewed the current version of the interest survey created by the Communications Team. Discussion followed about the objective of the survey, including what the purpose is in collecting certain items of information, and ideas for formatting. Based on input received, **Jessie will work with the Communications Team to revise the survey.** The survey will go out as an insert in the summer issue of the newsletter, with a “return no later than” date. **Sue asked that everyone look into the possibility of their organizations helping to underwrite the next mailing so that a self-addressed, postage-paid envelope can be included to encourage recipients to respond to the survey.**

3. **Bylaws:** Sue reviewed Jump$tart’s process requirements for formalizing the affiliation. The Affiliation Agreement, Articles of Incorporation and Bylaws must be submitted in finalized form and signed. Accordingly, the bylaws must be drafted. Sue shared information about MCEE’s board structure, suggesting that it be considered as a model for the MFEC’s structure. Committee members discussed board structures, term limits, number of board members and other related issues. **Scott and the Structure Team will contact other state coalitions to request copies of their bylaws to review for ideas, then draft bylaws for the steering committee to review and consider during the next conference call (July 28, 10:00 a.m.) Other committee members are encouraged to submit bylaws from other organizations to Scott that they feel may serve as useful templates. Norm: we will be looking for your thoughts on this.**

4. **Team Coordination:** Garth shared concerns and ideas to ensure that all teams are coordinated in their efforts to avoid duplication, conflicts, etc. **Sue reminded**
team leaders to share team minutes with all other team leaders, and team leaders to distribute all minutes to their team members.

5. **Strategic Plan:** Sue reminded team leaders that they need to complete their strategies and outcomes so the strategic plan can be finalized. The committee recognizes that this is a dynamic plan that will continue to grow and evolve, but that the plan is necessary to ensure that all of our ideas and work stay focused and appropriately directed. **All team leaders should complete their strategies and outcomes, and send them to Sue for incorporation into the strategic plan as soon as possible.**

6. **Team Updates:**
   
   a. **Structure Team:** Scott’s team will work on drafting bylaws before July meeting.
   
   b. **Marketing Team:** Marketing plan timeline and Fall Conference outline drafted (see item below). **Garth’s team will work on logo, etc., as a priority task, as well as Fall Conference planning.**
   
   c. **Communications Team:** Decided that the team name should be changed to “Coordination” team to avoid confusion with Marketing Team’s objectives. (Henceforth, Jessie, your team will be the Coordination Team!) **Jessie’s team will finalize the survey based on comments received.**
   
   d. **Evaluation Team:** **Tom’s team will draft recommended “evaluation” topics and strategies for the committee to consider.** Tom pointed out that there are a number of different types of things that can be evaluated, and felt that clarification was needed.
   
   e. **Financial Standards Team:** Team hasn’t met yet.

7. **Fall Conference:** Garth shared a planning timeline for a possible fall conference. The committee discussed whether it should pursue hosting a conference in the fall. Everyone agreed that it would keep the momentum going and serve several purposes: to “celebrate” our affiliation with Jump$tart (the process should be completed by then), to serve as a “partnership drive,” to serve as a “media” event, and to pull in newly elected state officials (i.e., Governor-elect).

   a. November 8 and 9 were selected – a possible exhibitor event and reception on Monday evening, and the conference on Tuesday. **SAVE THESE DATES!**
   
   b. Helena was selected as the best venue for purposes of attracting state officials
c. Karen received $$ and availability information from the Great Northern Hotel and the Colonial. Both are available on those dates, but need to be booked now. The Great Northern was agreed upon.

d. Karen agreed to serve as a “conference” team leader (and will draft team members.). She will ensure that a conference room and block of hotel rooms are booked asap.

e. Scott suggested we hold a full board meeting the following morning (Wednesday) as we will all be in town.

f. The conference team will work on recommendations for topics, speakers, etc., and look to Jump$tart for recommendations for national speakers, ideas. The team will have a draft of a conference plan and agenda by our next call on July 28.

8. Montana Council of Coops: Scott suggested that we consider becoming a member of this organization when our affiliation/incorporation process is completed for “PR” purposes. He noted that annually, the MCC hosts a large dinner and dance at the Civic Center in January with many of the state legislators in attendance, which could provide the coalition a good PR opportunity. Scott will send information to the committee and team leaders about the Coop.

9. Talking Points: Scott discussed the idea of drafting talking points so that we have a uniform message to share, particularly with state legislators and elected officials, as a way to enhance our credibility and garner support. We agreed this wasn’t time critical, but the Marketing Team will put it “on the list.”

10. NEXT CALL: JULY 28 , Wednesday, from 10:00 a.m. to noon. MARK YOUR CALENDARS. WE WILL BE DISCUSSING PROPOSED BYLAWS AND THE FALL EVENT.

7. **Gaps in Board Representation.** Discussion was held about other potentially strategic organizations to invite to participate on the MFEC Board.    There was also discussion about inviting representatives of other key organizations, following the November conference, to serve as advisory
members, such as Montana legislators (serving on Education Committee), MT Chamber of Commerce, etc.

Sue noted that a key organization to consider including on the board or as an advisory member would be the state association of mayors (actually called the Montana League of Cities and Towns). Sue shared information about the national Dollarwise initiative intended to provide incentives for mayors across the country to initiate and support financial education activities and efforts in their local communities, and her thoughts about how the MFEC can utilize the Dollarwise initiative to motivate Montana mayors, through the Montana League of Cities and Towns, to get involved with the work of the MFEC. Sue will draft a letter to the president of the Montana League informing him about the Dollarwise initiative and asking for support in encouraging mayors across Montana to support the work of the MFEC, and to become involved in a way that would qualify for recognition by the Dollarwise effort. See www.dollarwiseonline.org for more information about this campaign.

8. **Conference Planning Update.** Karen gave a status report on the conference plans. Save-the-Date postcards have been sent out to more than 1,700 recipients. Great job on the graphics, Karen! And thank you, Karen and Garth, for your hard work on compiling the mailing list and creating, printing and mailing the postcards, and to Garth and Kelly for underwriting the costs of printing and postage!    *Under Karen’s leadership, the conference is taking great shape!*

All board members: please review the needs listed and respond ASAP to Kelly if your organization is willing and able to fill one of the listed sponsorship opportunities. Your response is needed by Friday, August 25. Thank you Kelly!

10. **National Jump$tart.** Nancy Brown talked about the resources and benefits that the MFEC will realize and have access to as a Jump$tart affiliate, including grant opportunities (i.e. McGraw Hill and Debt Free Ministries), conference materials (free of charge), invitation to attend the national Jump$tart meeting in Washington D.C. in April, website and listserv services,
etc. She also handed out and discussed the most recent Jump$tart National Standards in Personal Finance materials and mentioned the database of examination questions that have been compiled.

Meeting Minutes

(Action items in bold)

Board members present:

Karen Nebel, Karen Dunn, Laura Henton, Gina Fuller (for Steve Turkiewicz), Norm Millikin, Bob Vogel, Diana Fiedler, Keith Colbo, Tom Jacobson, Sue Woodrow

Present by phone:

Kelly Bruggeman, Maria Valandra, Garth Ferro

1. The meeting was called to order.

2. State Auditor’s Office representation: Sue reminded the Board that Janet Harper no longer works for the State Auditor’s Office, raising two questions. Does the Board want to pursue representation from the Office? Would the Board also like to retain Janet on the Board? It was moved and passed unanimously that if she is willing, the Board would like Janet to continue to participate as a director. Second, it was moved and passed that Sue would extend a written invitation to Karen Powell at the State Auditor’s Office to join the Board. Sue will draft and send a letter next week to Ms. Powell, and will contact Janet.

3. Review of 2004 Accomplishments. The Board reviewed the draft 2004 Accomplishments. No additions, deletions or modifications were noted. Sue will finalize the document and send to Board members, Jumpstart, and make available on the temporary Jumpstart website.

4. 2005 Workplan. The Board discussed the draft workplan’s objectives, action items and numerous new ideas. The 2005 Workplan (draft February 28, 2005) embodies all of the ideas discussed and approved. Gina offered to chair the Conference Team. Board members should review the February 28 draft, and respond to Sue with issues, concerns, additions, etc.

5. MFEC Brochure. The Board reviewed the draft MFEC brochure Karen developed. No suggestions were made to modify the brochure, except to include contact information, including the “to be developed” website address. Great job, Karen!

6. Newsletter Sponsorship and articles. Karen solicited sponsorships for the three remaining newsletters for 2005. First Interstate will sponsor the Spring Issue, and Montana Independent Bankers will sponsor the Summer Issue. Thank you Kelly, Maria
and Keith. **Laura will pursue sponsorship by Smith Barney for the Fall Issue.** The Spring Issue will focus on April “Financial Literacy Month” events in Montana. **Ideas for articles should be directed to Karen.**

7. **Financial Statement.** The Board reviewed the Financial Statement prepared by Karen. No questions were forthcoming. It was noted that there were more than likely enough funds to print the brochures.

8. **Governor’s Proclamation for Aprils “Financial Literacy Month.”** Sue noted that last year, Marsha, with Annie’s assistance with contacts, had sought a Governor’s Proclamation for April, but that Governor Martz issued a “citation” in lieu of a proclamation. **Sue will draft a proclamation and letter for the Board’s review, and seek Janet’s assistance in following up with the Governor’s Office.**

minute exam. Diana and Bob V. will work with their contacts to encourage participation and will report back to Sue.

8. **Partner Program Template:** Marsha shared a booklet created by the MT State Advisory Coalition of Food and Nutrition that contains profiles of its partner programs. Meeting Minutes
(Action items in bold)

Board members present:  Kelly Bruggeman, Keith Colbo, Karen Dunn, Garth Ferro, Diana Fiedler, Marsha Goetting, Annie Goodwin, Laura Henton, Jennifer Kirby, Jessie Lundberg, Norm Millikin, Maria Valandra, Bob Vogel, and Sue Woodrow.  Henry Thompson joined by conference call.

Others in attendance:  Joice Franzen, Montana Board of Housing

1. The meeting was called to order and it was determined that a quorum was present.

2. The minutes of the May meeting of the Board were reviewed; upon a motion from Bob, seconded by Garth, said minutes were approved.

3. **Demonstration of MFEC Website:** MBOH has offered the staff time of Joice Franzen to develop a website for MFEC, which Joice has begun.  Joice provided a demonstration of the website for the Board.  The site will be hosted by MBOH, and its URL is mt.mfec.org.  MFEC will be responsible to pay the URL fee, which is $42.00 for 5 years. All other costs will be paid by the Department of Commerce through MBOH.  The current website link is: [http://commerce.mt.gov/mfec/index.html](http://commerce.mt.gov/mfec/index.html)

   Joice noted that all the links are not yet in place; therefore those who visit the site will need to use the “Home” link to return to the home page each time they wish to view a different page, as the links between other pages may not work.

   The Board discussed that contributing coalition partners could have class calendars on the site, and that there should be links from Board members’ organizational affiliations to those organizations, for visitors who wish to find out more.  **Board members are to provide their organizations’ links to Joice Franzen at jfranzen@mt.gov as soon as possible.**

4. **MFEC Contributing Partners:** Several ideas were discussed regarding incentives MFEC could provide to organizations that become contributing partners by providing in-kind or direct financial support to MFEC.  These included recognition levels (gold, silver, etc.), offering marketing opportunities through the website and/or an annual report on the state of financial education in Montana, and discounted conference registration fees.  It was proposed and agreed that the Budget Committee, headed by Karen Dunn, shall meet prior to the next Board meeting to prepare a proposal for fundraising through sponsorship.

   Sue reported that the website will be ready to roll out at the MFEC fall conference in November.  The Board discussed and agreed that the membership structure could be...
introduced then as well. It was proposed and agreed that contributing partners should be referred to as “supporters” or “sponsors” rather than “donors.”

Sue provided an example of a report prepared annually by the Montana State Advisory Council on Food and Nutrition, “The State of Food and Nutrition in Montana,” which is provided to the Governor’s office and others around the state. The Board agreed that MFEC would plan to provide a similar report on the state of financial education, looking at the 2006 fall conference for releasing the first such report.

5. **Fall Conference:** Sue provided the Board with a draft conference agenda, which was reviewed and discussed. Initial feedback was provided and Sue will revise according to suggested changes, and send out the second draft to all Board members. The Board shall review the proposed 2005 Fall Conference agenda and provide feedback to Sue as soon as possible.

Sue is also working on getting the conference approved for teacher and CPA continuing education credits. Joice suggested obtaining approval for realtor credits, and will look into that further. Diana will follow up on the teachers’ renewal units. Sue will talk to Margaret about CPA credits.

6. **Proposed Montana Saves Campaign.** Sue reported that Nancy Register with the American Saves campaign has volunteered to attend the next one or two board meetings to talk with the Board about a Montana Saves campaign. Board members expressed some concerns regarding the amount of effort that would be required to mount such a campaign successfully in the near future, and would like to hear more from Nancy before moving forward with a discussion.

7. **Community Collaboration Awards.** Tabled.

8. **Jump$tart Survey:** Bob Vogel reported that he is working with national Jump$tart and Montana school administrators to set up at least 10 schools where the next J$ survey could be conducted, which would result in the availability of financial education data from Montana.

9. **ASPIRE Act:** A statewide group working to pass legislation creating IDA accounts for children has requested that MFEC provide a letter of support to Senator Max Baucus. The Board is to review the legislation and indicate to Sue by Tuesday, July 26th a vote of support or opposition regarding whether MFEC should provide a letter.

10. Karen reported that she is working on the next newsletter and needs newsletter items by Friday, August 5th.

**NEXT BOARD MEETING: THURSDAY, SEPTEMBER 15TH, 2005.**

Meeting Minutes
(Action items in bold)

Board members present: Kelly Bruggeman, Maria Valandra, Bob Pyfer, Robb Larson (for Tom Jacobson), Joice Franzen, Karen Dunn, Garth Ferro, Marsha Goetting, Jennifer Kirby, Bob Vogel, Lindsay Daehlin, Janet Harper, Sue Woodrow, Ann Pearson (for Steve Turkiewicz),

Bolded items are specific tasks to be carried out.

1. Sue called to the meeting to order. Minutes from February 24th meeting were approved. Motion by Garth, 2nd by Bob Vogel.

2. Sue reviewed the workplan for the year with the Board.

A.Goal 1, Objective 1,
NOTES: Karen Dunn reported that there would be no problem in getting an issue of NOTES published in May, August and November. Sue asked members that had something going on in April for Financial Fitness Month to get the information to Karen to put in the newsletter. First Interstate Bank will be sponsoring the publication this time.

Jump Start
Results will be revealed next month and Montana had the highest return of surveys and school participation and will get national recognition at the conference/celebration in D.C. Bob Pyfer is going to look into having a representative from Montana at the celebration in D.C., possibly Senator Baucus. Sue will call Board of Governors offices to get more information on the event and inform Bob P.

Listserve
There was a discussion on developing a listserv to enable us to get all different kinds of data out to our members and partners. No one on the Board has the expertise to develop this, so it was decided to outsource, possibly a college student would be interested in doing this. Garth, Karen and Janet will work on finding someone to do this as well as setting some guidelines.

Joice Franzen has reported back since the meeting that the Montana Board of Housing has agreed to assist in creating and maintaining a listserv for the coalition at no cost to MFEC. Thank you Joice for making this happen! The Listserv team will work with Joice on development of the listserv and guidelines for use.

Case Studies
Sue asked the Board to please use the template included in our packet to describe the programs our organizations might have specific to financial fitness and submit them to her by July 30th. These will be used to populate the website category “case studies”. There was some discussion
on this title and it was decided that we need something a little more catchy and more indicative of what is in there. **We are all to think on it and e-mail any suggestions to Sue.** She will make the decision on the title.

**Website**
Sue is recruiting Board members for the Web Team, Garth volunteered. Joice still needs to receive organization’s info, **so please get your agency’s info for service directory and calendar, also write “case studies”**.
Joice has created a Board Access only page and it is up and running. Info about upcoming meeting, teams and tasks will be posted. ID: Montana, password: Montana (not sure about caps).

**B. Goal 1 Obj. 2**
Bob Pyfer will provide language to Sue for a bullet item/action item regarding the provision of advisory assistance for legislative and related efforts.

**C. Goal 2 Obj. 1**
**Conference**
Marsha is chairing the committee made up of Jennifer Kirby; Karen Dunn; Laura Henton; Lindsay Daehlin; Garth Ferro; Ann Pearson; Susan Woodrow; Maureen Garrity; Kris Leitheiser; and Annie Goodwin.

Committee will have a conference call soon to hash out dates and number of breakout rooms needed for workshops. It is tentatively set for the Holiday Inn in Billings, April 10-11. Marsha has created a draft schedule. It was discussed that it would be a good idea to open up the conference to the newly formed WY and SD Jump$tart Coalitions, as well as ND who is still working to create a coalition.

**D. Goal 2 Obj. 2**
**Partner Engagement**
Karen Dunn and Karen Nebel agreed to join Lindsay on the Partner Team that will work with the existing partner list to match up Board Members as contact persons with specific partners.

**Partner Acceptance Criteria**
It was decided that we need established criteria in our bylaws for acceptance or rejection of partners. **Sue will contact the JumpStart folks regarding their criteria and language.** Bob P. and Janet agreed to work on a specific team/taskforce to work on this. They will report back to the Board in May.

**Goal 3 Obj 1**
Bob V. reported to the group that legislators are interested in doing a survey around the state to really see where we are at, what we are currently doing. He felt it was good progress. The legislators are saying that the outcome may not be legislation this session but finding other ways to promote financial education in schools.

Kelly proposed an idea to have a luncheon for legislators at the capitol during session to build relationships and promote MFEC and the need for financial education. **All agreed it was a great idea. Ann, Bob V. Kelly and Garth offered to serve on a planning team for this event in April of 07. They will have a workplan by July.**
Public Service Announcements: **Karen, Sue and Rob offered to work on this starting in the fall.**

April: **Financial Education Month! Please turn in information on what your April activities to Karen for the next issue of “Notes”.**

**Goal 3 Obj 2**
Anyone who knows of National Conferences on Asset Building/Financial Education, please let the group know. Also, anyone aware of any local coalitions or collaborations on Financial Education related subjects please inform the group as well.

3. **Website update from Joice Franzen:** New features include a “Get Involved” tab on the left hand side. Here, partner information is located. Also the Program case studies are ready for additions, currently we only have one from FIBFoundation: MiniBank program. The plan is to use the same categories from the Service Directory to aid in searching the case studies. Our site is now registered with google and yahoo. If organization’s link to [www.mtmfec.org](http://www.mtmfec.org) from their websites that will mutually benefit our spot on the search engine lists. So please consider linking to our website from your organization’s website. The organizational directory only has 3 entries!!!! **Please get your organization’s info to Joice asap!** All emphasized a big thankyou to Joice for all her work. She is also maintaining the MT Jump$tart website, you can contact her at jfranzen@mt.gov or call 841-2859.

**Next Board Meeting: 5/31, 9-12am in Helena. Please mark your calendars and check to see what tasks you need to work on before then.**

Lindsay Daehlin, Secretary
Montana Financial Education Coalition
Board of Directors Meeting

Wednesday May 31, 2006
9:00 – 12:00 p.m.

Meeting Minutes
(Action items in bold)

Board members present: Marsha Goetting, Robb Larson (for Tom Jacobson), Bob Vogel, Diana Fiedler, Joice Franzen, Bruce Brensdal, Henry Thompson, Kris Leitheiser (for Annie Goodwin) Norm Millikin, Jennifer Kirby, Ann Pearson (for Steve Turkiewicz), Al Ward, Karen Nebel, Sue Woodrow and Garth Ferro. Members who called in: Lindsay Daehlin, Kelly Bruggeman, Laura Henton, Bob Pyfer.

Bolded items are specific tasks to be carried out.

1. New Board member. Introduced newest board member Bruce Brensdal from the Montana Board of Housing.

2. Minutes. Bob Vogel motioned to approve the minutes and seconded by Al Ward. Minutes were approved.

3. Financial statement. Financial statement was reviewed. We have $10,500 in MFEC account.

4. Bylaws. Bylaws were reviewed. In July the 2 year terms of Board Officers are ending. The secretary and treasurer positions can continue. VP Tom Jacobson is unable to step into Pres. Position. Bob Pyfer discussed the bylaws. Article 2, paragraph 3 on page 3: The VP succeeds the Pres. automatically. This causes problems when the VP is unable to step in. Bob has a suggested a revision to this section changing the President position to be elected in the same way as other offices. President would be elected by the board for a 2 yr term. We do not need to get approval from Jump$ tart to amend this section of the bylaws. Bob will put together the proposed amendment and send it out to the board 7 days before a meeting in July for a vote. There were no objections to that proposal

5. Montana Independent Bankers. Keith Colbo’s replacement Steve Yeakel, the Executive Director of MT Independent Bankers Association has been recommended to be invited to join the Board by Keith and Sue. There was a motion and a second to invite Steve to join the Board. Board voted in favor of inviting Steve Yeakel. Sue will send Steve a letter of invitation.

6. CCCS’s Asset Development Project. Kellogg is funding CCCS and requesting they evaluate rural development in frontier America. The Great Plains region is now the poorest in the country. CCCS will be hosting 6 mtgs (2 in MT) and a leaders conference in Nov. under the project name: World Café or Plains Talk. World Café is a specific method of facilitated conversation. Communities will be assisted in establishing a vision of where they want to go and be. The goal being to identify vision, commitments and strategies to be put into a strategic plan to present back to funders to solicit funding for
rural development initiatives. Many partners are engaged in this process at different levels. There will be significant funding connected with the initiatives. At this point, CCCS is looking for added partners to participate in the Plains Talks. The first one is June 14-15 in Great Falls, the CM Russell Museum. The second one will be in Billings in November.

Policy Link is one of the consultants involved. Sarah Hicks from the Nat’l Conference on American Indians is the other consultant. Sen. Baucus is involved and working to bring a Council of Foundations meeting to Montana in August or October. Funders are interested in what policy initiatives will come of this work as well. Sue sent out the invitation/save the date to the board earlier (front page). Shannon will send registration packet to the board. If you would like to be included email Karen or Shannon to get the newsletter. If you would like to participate in the events, let Karen or Shannon know. There is no registration fee.

7. Work Plan updates:

a. **NOTES**: copies will be mailed out this week. Jump$tart survey was highlighted on the cover. Bob Vogel’s contributions were recognized. April’s FE Month activities were included. Thanks to all who contributed.

b. **ListServe**: Two options – 1. Jump$tart would organize it for us. We would screen those who got the address, but it could be difficult to contain. It is a free service Jump$tart offers. 2. Through the State. With this option, there would be more flexibility. We could have more control. We would have limitless options and would have to monitor it. There wouldn’t be too much maintenance though and it would be .gov. There was discussion of not wanting .gov in our address since we are not a gov’t entity. There was general agreement in support of the Jump$tart option. Norm made a motion to move forward with Jump$tart listserve, it was seconded and carried by a unanimous vote. Joice and Garth will move forward with setting up a listserve through Jump$tart. Joice will be out for 8 weeks starting the beginning of June.

c. **Case Studies/Model Program**: template was distributed at the last meeting. None have been received. We need case studies on our website. Lindsay, Norm and Tom agreed to submit their studies to Sue and Henry by July 15th using the template. A new name was decided: Model Programs.

d. **Jump$tart Survey**: We now have the survey results and need to decide how we would like to use it. Bob V. will get space on the agenda of the Board of Public Education for MFEC members to present. It was suggested Marsha present on the survey, Sue present on the coalition, and Bob present on curriculum issues on FE.

e. **Website**: Joice pulled up reports of website activity. Joice will email the report to all board members. 510 visits, mostly during the day. One negative thing is that the average length of visit is 1.5 minutes. Get information for Service directory before Friday June 2nd, which is key to the success of the website. All board members are encouraged to go to the board access page. Username: Montana, password: Montana. Bruce was thanked for the offering of Joice’s time and services of the office in support of our website.
f. **Incorporating FE into school curriculum.** There was general discussion on FE in public education curriculum, and the PEPPS standards. Bob and Bob will keep us updated.

g. **Legislative Lunch.** Ann has contacted the offices, and the last week in March and some of April ’07 are open. We need to decide when we would like to do it. There was discussion about the difficulty of getting legislators to stay and engage at a legislative luncheon. It was decided to pursue the possibility of participating in the Montana Chamber of Commerce’s Business Days in January ’07 instead of pursuing a legislative luncheon, as Norm indicated that many legislators attend this event, with about 500 persons attending the dinner and reception. Norm is going to speak with Webb Brown at the MT Chamber about the possibility of MFEC joining with Montana Council on Economic Education (MCEE) at the Chamber’s Business Days event with the legislators in January in lieu of a legislative luncheon.

h. **July Conference Call.** Please email Sue ASAP what days in July you are not available for a conference call. We need to discuss bylaw amendments and officer elections, 30min mtg most likely.

i. **MT Indian Education Association Annual Conference:** Henry did a workshop called “Who wants to be a millionaire”. There were 50 attendees in the workshop and 600 at the conference. The youth were hungry for the info. For the second session (Kelly speaking on MiniBanks) there wasn’t much of an audience due to time difficulties. It is an annual conference where there is a commitment continuing to include FE.

j. **Partner criteria and disclaimer** discussion was pushed to July meeting.

k. **Conference update.** Marsha reported that we have two speakers confirmed plus our keynote Susan Beecham has confirmed. Susan will do a tv session with youth, 2 presentations, and 2 workshops. Governor Schweitzer is confirmed to speak! Diane Feedler will do paperwork for OPI credits for teachers. We are inviting ID, WY, MN, ND & SD Jump$tart coalitions to attend the conference. We are exploring getting video talks from our MT congressional delegation. Next steps are focusing on break out session topics and presenters, and sponsorships for specific expenses. The title is “Saving and Investing: Our Future Depends On It.”

8. **DPHHS Economic Security Initiative.** Hank Hudson, Administrator of Human and Community Services Division of State Dept of Public Health and Human Services presented on the Family Economic Security Initiative that is currently accepting proposals with $1.5 million in funding. The initiative is funded by TANF high performance award money that MT received. MT was highest in nation for moving people from TANF to employment. Two problems led to the development of the initiative: former TANF recipients receiving low wages and living in high financial insecurity, as well as need for knowledge and skills in money management. Financial education and asset building programs are the core of the initiative. Another component of the project is connecting participants to higher wage jobs (training). The Governor was most excited about the financial education piece. 4-6 projects will be funded, local
and statewide. More open and flexible than other initiatives. Target population is people who have received TANF within the last 12 months and are within 200% Federal Poverty Level. RFP’s are due June 29th. August 1 will kick off the program, lasting 18 months. Hank is hoping funding will continue after 18 mos. yet funding is not currently included in the Governor’s budget past 18 mos. There will be a 6, 12 and 18 mo report made to the legislature focusing on policy implications (tax, public benefits, education, etc.) of findings from the program and its evaluation.

The Governor is interested in creating an advisory council on self sufficiency that will help to oversee the effort. He views FE as a critical component of addressing the poverty issues. There are potential opportunities for the MFEC board to be involved in this advisory group, as well as to provide input into the development of the program evaluation materials and process.

Next Board Meeting: Please email Sue your non-availability in July for the next meeting. Please check to see what tasks you need to work on before then.

   • Norm Millikin indicated that the MCEE will be providing sponsorships in the form of funding to cover substitute teachers for two days for all teachers who attend the conference.
   • Annie Goodwin is organizing a regional official from the FDIC to speak at the Day Two breakfast in lieu of Governor Schweitzer who will unlikely be able to attend due to the legislative session.

4. **Work Plan updates:**

- **NOTES:** 3 issues were sent out in 2006. - **Website:** There was discussion about whether to post a MFEC endorsement disclaimer on the website regarding partner FE programs and other information included on the website. The general consensus following discussion was that there is very little risk regarding the posting of program information from other organizations, while the inclusion of a disclaimer to address the minimal risk may send a negative message. Accordingly, there was agreement that we should not post a disclaimer. **Board members are encouraged to submit all financial education and related trainings and events to Joice to include on the website calendar of events.**

- **OPI and BPE School Curriculum Standards for Financial Education.** Bob Pyfer provided an explanation about the standards application process.

- **Montana Indian Education Association Conference.** Sue provided information about the upcoming MIEA conference in April. **Karen will contact Henry Thompson to determine is she is interested in offering a high school workshop on FE at the conference this year (which was well received last year). Anyone else interested in doing a workshop should contact Stan Juneau, the MIEA conference coordinator.**

- **MFEC Partners.** Sue will draft an article and invitation to MFEC partners to submit case studies for inclusion on the MFEC website, to be included in the February NOTES issue. There was discussion about the need to provide opportunities for MFEC partners to become more involved. Sue and Maria shared how the Montana Indian Business Alliance holds quarterly all-day meetings for its partners, and how successful this has been in a relatively short period of time in growing the Alliance. **Karen and Sue will meet to further discuss how this partner meeting model could be adapted for the MFEC.**

- **Business Days Event.** Karen, Janet, Norm and Steve Turkiewicz attended the Business Days event the first week of January, which was attended by 500 people, including approximately 100 legislators. Karen and Janet provided a MFEC exhibit. While there was not much activity at the exhibit, Karen suggested that next year the MFEC should considering sponsoring a legislators’ table. Board of Directors’ Meeting

Friday, October 24, 2008
Montana Credit Union Network
10:00 a.m. – 12:30 p.m.

Meeting Minutes

(Action items in Bold)

**Present:** Karen Smith, Kelly Bruggeman, Marsha Goetting, Bruce Brensdal, Bob Vogel, Kelly Chapman, Laura Henton, Jolene Bach, Heather Keller, and Sue Woodrow.

**Attending by conference call:** Karen Nebel, Kaylee Porter, and Variny Paladino (National Jump$tart Western States Regional coordinator).

*A quorum was present.*

MFEC President Karen Smith presiding.

1) **MFEC Board Resignations.** Karen reviewed the director resignations received during the last year due to job changes, retirements, and job responsibility changes. Resignations were received from Maria Valandra (First Interstate Bank), Norm Millikin (MCEE), Janet Harper (MCUN), Bob Pyfer (MCUN), Diana Fiedler (OPI), and Linda Henry (replacing Lindsay Daehlin from home). 

2) **MFEC Director Replacements.** The board discussed a number of organizations that may offer good representation on the MFEC board, including OPI (Bob Vogel will contact Linda Peterson), Montana Legal Services (Karen Smith will contact Michelle Hauer), the Montana Indian Education Association (Sue will contact Carol Juneau), the FEFE Program (Marsha will contact Nicole Chinadle). The board also discussed the value of appointing an educator to the board. Directors are encouraged to bring forward ideas for this director position. In addition, Jolene Bach has replaced Tom Jacobson as the director representing Rural Dynamics, Inc./CCCS MT.

3) **Review of Bylaws.** Karen raised a number of bylaw provisions for discussion and possible amendment. Following discussion, the board unanimously approved a motion for the following summarized provisions to be added or amended (Karen will ask Bob Pyfer if he will draft the amendments):

- Director attendance – the Board will meet a minimum of four times per year. Directors are required to attend a majority of the meetings. Participation by conference call will constitute attendance. Directors may appoint representatives from their respective organizations to attend on their behalf, although consistency in representation is strongly encouraged.

- Voting by proxy is permitted.
• Maximum number of directors will be reduced from 25 to 20.

4) **MFEC Board Officers Election.** The following new officers were elected by motion, with new terms to begin November 1, 2008:

- Jolene Bach – President
- Sue Woodrow – Vice President
- Karen Smith – Treasurer
- Kelly Bruggeman - Secretary

5) **2008 Workplan Review.** The following summarize the key highlights from the board’s workplan review:

- **Goal One, Objective Two** - deleted from the workplan Discussion Item: “Develop A Shared Teacher Program Pool”

- **Goal One, Objective Two** – Jolene will explore the possibility of currently committing one of RDI’s Americorp VISTA volunteers to work part-time as the MFEC coordinator, with the possibility of committing a full-time VISTA volunteer to this role beginning in July 2009. This would allow Jolene, as the new MFEC president, to have a VISTA volunteer working directly under her supervision serving as the MFEC coordinator. **Jolene will report back to the board as to whether this proposal can be implemented.**

- **Goal Two, Objective Four** – the board revisited the issues surrounding the term “partner.” Variny provided information about other Jump$tart coalitions and how they label “partners, “members,” etc. Bob Vogel suggested the term “Friend of MFEC.” The board also discussed how to better communicate benefits of being a partner, friend, etc. **Jolene will contact Karen Anderson from the California JS to find out how they encourage partnerships.** As part of this discussion, social networking opportunities such as utilizing NING, FaceBook and My Space were also discussed. **Kelly Chapman will send information to the board about setting up a site in NING.**

- **Goal Two, Objective Five – Local Chapters:** Karen provided information about the Missoula Financial Educators’ Alliance and a new local group in Billings focusing on financial education. Sue noted that we need to be more proactive about ensuring that information and links for these types of local initiatives are put on the MFEC website.

  **Local Workshops:** In addition, the board reviewed the format and interest shown in the four MFEC foreclosure workshops conducted in December and January. It was agreed that this format seems to work well, and that there would likely be interest for more foreclosure as well as investor workshops. A working group was created to begin planning local workshops on these topics: Bruce Brensdal – chair, Karen Nebel, Laura Henton, Jolene Bach, Karen Smith, and Sue Woodrow. **Bruce will organize a planning call.**

- **Goal Three, Objective Three** – Karen shared information about he “211” service, and the board concluded that it is not a good fit for the MFEC. Accordingly, this item was deleted from the workplan.
6) **National Jump$tart Update.** Variny provided a brief overview of initiatives, leadership changes, and events for the National JS. She encouraged attendance at the April 2009 JS Coalition Leaders’ Conference in Washington D.C., and noted that there are discussions about hosting a Western States JS Leaders meeting in San Francisco in early 2009.

7) **National JS High School Survey.** Bob V. raised an issue about the challenges in recruiting high schools for the JS Survey. Of particular note, some school districts require permission at the district level for participation in surveys, which is a problem in recruiting school participation given the fairly short turnaround time to solicit participation. Variny noted that JS has heard that this is an issue in several states, and will raise this concern at the national level.

8) **Strategic Planning Session.** Karen discussed the need to hold a strategic planning session in the near future, and suggested that the board should utilize an outside facilitator to work with the board in this process. Janet and Maria will provide contact and cost information for potential facilitators to Karen. Karen will send out a Meet-o-Matic notice to set a date for this session in late August or early October.

9) **Helena Education Foundation.** Karen noted that she will be facilitating a “financial education” discussion table at the Great Conversations event in Helena in November.

10) **America Saves.** Kelly B. shared information about Yellowstone County’s participation in the “America Saves” campaign. The board agreed to follow the progress of the county’s initiative and add the initiative to the MFEC website.

11) **Financial Education Programs.** Kelly and Marsha shared, respectively, information about Susan Beacham’s new program components, and the “Sammy Saves” program.

   Before adjourning, the board thanked Karen for her leadership over the last two years. We are privileged to have Karen working for us and with us, and are grateful she will be continuing to serve with us on the MFEC Board.

The meeting adjourned at 12:40 p.m.

Board of Directors’ Meeting

Friday, June 22, 2007
Montana Credit Union Network
10:00 a.m. – 12:00 p.m.

Meeting Minutes
(Action items in Bold)

Board members present: Karen Smith, Marsha Goetting, Diana Fiedler, Bruce Brensdal, Janet Harper, Karen Nebel, Sue Woodrow. Attending by conference phone: Jennifer Kirby, Maria Valandra, Lisa Beavers (for Tom Jacobson), Henry Thompson, Kris Leitheiser (for Annie Goodwin), Norm Millikin, Kelly Bruggeman. Guests: Nancy Brown (National Jump$tart Western States regional coordinator), Chennille Olson (Colstrip High School). A quorum was present.

MFEC President Karen Smith presiding.

1) Jump$tart State Leaders Meeting Overview. Nancy Brown gave an overview of the Jump$tart State Leaders meeting in Washington D.C. in April. Highlights of topics included state coalitions’ challenges with recruiting, retaining and motivating volunteers; preparations for the 2008 JS National High School survey; areas the National Jump$tart will be focusing on to promote growth; and technical and operational issues that state coalitions may encounter. The next state leaders meeting is tentatively planned for April 9, 2008. Nancy encouraged the board to begin thinking about who from the MFEC could attend. Nancy also mentioned that, beginning in September, she is going to be coordinating Western States coalition leaders’ joint conference calls.

2) MFEC Conference Review. Karen reviewed the MFEC Conference final financial statement. The conference netted $5,045.76. Norm made a motion to accept the statement; Sue seconded the motion. The motion was unanimously passed. Marsha was commended and thanked for the tremendous leadership she provided for the conference.

3) Partner Events. Sue discussed the need for the MFEC board to begin thinking about events or activities that will allow MFEC partners to participate and become active in the work of the coalition. Sue and Maria shared how the Montana Indian Business Alliance holds its quarterly partner events, and suggested a similar model may be appropriate for the MFEC. The board discussed possibilities for the types of topics and activities that may be appropriate for these Partner events. Nancy shared ideas that other coalitions are doing to engage their partners, and offered to send Karen information about Oklahoma’s JS Coalition events. Karen suggested the Americorps “Montana Making Sense” program as one potential topic. October 2007 was suggested as a good time to host the first Partner event. Sue, Janet and Karen Nebel agreed to take the lead in providing a proposal for an October event. Sue will set up a conference call with Karen Nebel and Janet next week. Marsha suggested that the week of Feb. 24 may be a good time to host a second Partner event in conjunction with national “America Saves” week.
4) **MFEC Youth Advisory Council Proposal.** Chennille Olson, a junior (2007-2008) from Colstrip, joined the meeting by conference call to present a proposal to the board to establish a youth advisory council to the MFEC board. Chennille participates in one of First Interstate Bancsystem’s minibank programs, and attended the MFEC conference where she first formulated her idea. Board members responded favorably to Chennille’s proposal, and requested that she provide her proposal in writing. **Sue and Kelly will work with Chennille to draft a written proposal.** Norm suggested that Chennille also ask Les Mahon, First Interstate branch president in Colstrip, to help her draft the proposal. Chennille was thanked for coming to the board with her idea, and agreed that engaging the youth in Montana more actively was a great suggestion. Nancy indicated that no other state JS Coalition has a youth board such as the one Chennille is proposing, and commended the board for its enthusiasm for agreeing to explore this idea further.

5) **NOTES.** Karen requested volunteers to take over the coordination of the NOTES newsletter. She reminded the board that NOTES will be an online publication moving forward, and that she has the template ready, in “Publisher,” for whoever agrees to take this on. **Jennifer and Sue will coordinate this together. Jen will input the articles into Publisher, and Sue will take the lead on seeking and editing articles.**

6) **MFEC Website.** Karen noted that Joice Franzen is no longer with the MT Board of Housing (MBOH), and that Penny (?) from MBOH is now the lead on updating and maintaining the website. Karen noted that we need to keep the website updated with information to make it useful. In particular, the service directory needs to be populated. The board discussed the possibility of seeking an Americorp VISTA volunteer to do this. **Karen and Karen Nebel will explore this option, as Karen N. has two VISTA volunteers she will be supervising during this next year.**

7) **Strategic Planning Session.** Karen discussed the need to hold a strategic planning session in the near future, and suggested that the board should utilize an outside facilitator to work with the board in this process. **Janet and Maria will provide contact and cost information for potential facilitators to Karen. Karen will send out a Meet-o-Matic notice to set a date for this session in late August or early October.**

The meeting adjourned at 11:40 a.m.

Federal Reserve Bank, Helena Branch
11:00 a.m. – 2:15 p.m.

Meeting Minutes

(Action items in Bold)

Present: Directors Karen Smith, Lorraine Schneider (for Annie Goodwin), Penny Cope (for Bruce Brensdal), Bob Vogel, Jolene Bach, Karen Nebel, and Sue Woodrow. Also present were Ben Marks from Rural Dynamics, and Diana Holshue from the Federal Reserve Bank, Helena.

A quorum was not present.

MFEC President Jolene Bach presiding.

The meeting was called to order at 11:00 a.m.

1) **June 23, 2009 Board Meeting Minutes.** This item was tabled to the December meeting; there was no quorum for a motion to approve the minutes.

2) **Capacity Committee Review.** Sue reviewed the status of the MFEC retirement workshops, planned for November 3, 4 and 5 in Great Falls, Helena and Bozeman, respectively. The workshops, entitled “Can You Afford to Retire?” will be held in: Great Falls - November 3, at Central Christian Church; Helena - November 4, location TBD; and Bozeman - November 5, at the Best Western GranTree Inn. The workshops will be offered in each location from 1:00 p.m. - 5:00 p.m., and from 6:00 p.m. - 9:00 p.m. on the dates noted above. The workshops will be offered free of charge to the public.

Topics to be covered will include Social Security and Medicare; Medicaid eligibility and recovery; investments, annuities and other products; investment and annuities fraud; estate planning and trusts; long-term care considerations and options; and reverse mortgages. Resource information will be available, as well as representatives of numerous agencies and organizations to answer and provide educational materials. MFEC sponsoring partners and presenters include AARP, D.A. Davidson & Co., Federal Reserve Bank of Minneapolis/Helena Branch, Montana Board of Housing, Montana Division of Banking & Financial Institutions, Montana Department of Public Health & Human Services, Montana State Auditor’s Office, Morgan Stanley Smith Barney, Neighborworks Great Falls, Rural Dynamics, Inc., and Social Security Administration.

Promotion will be covered by Aging Horizons, the area agencies, through local retirement and assisted care centers, and via board members’ websites and/or listservs.

- **Marsha:** we would like MSU Extension to have resources available at the workshops – MontGuides.

- **Jolene** will call **Senior News** about a possible PSA.
• Sue will work with Jolene on an “e-vite” for resource exhibits.

• Karen Nebel and Laura will check on how many exhibit tables are available or can be used at the Great Falls and Bozeman locations.

• There was considerable discussion during which several board members raised concerns regarding parking availability and challenges for seniors for the DPHHS Auditorium – originally planned for the Helena venue. **Penny will contact Rocky Mountain Development Corporation and MACO as possible alternatives. Karen S. will contact the new Gateway Center. Both will get back to Sue with the information asap.**

3) **Communications Committee.** Jolene provided an update on the new MFEC branding. She showed the test site for the new MFEC website and new MFEC e-newsletter template. The MT Society of CPAs is helping MFEC develop a robust resource database of financial education providers and services for the website, and are putting considerable resources in this development. There will be a soft launch of the new branding via a MFEC newsletter release on October 1. Updates to the newsletter and website are still underway. The “Contact Us” will be changed to go to a generic e-mail ([info@mtmfec.org](mailto:info@mtmfec.org)). Jolene also reviewed a press release schedule over the next four months as we roll out the new branding (see page 6 of the updated workplan distributed via e-mail with the board meeting materials). The board acknowledged and thanked Ben Marks and Jolene for their hard work and great work on the website and newsletter. The new branding is awesome!

• Board members are requested to forward photos from prior MFEC conferences or workshops, or similar “Montana” photos for the rotating photo screen on the home page of the new website.

• Jolene will work on getting a new MFEC brochure and partner card completed and printed in time for the retirement workshops in November.

4) **Conference Committee.** Diana Holshue, MFEC conference chair, provided an update on the conference. The Conference is entitled “**Building a Money Savvy Montana – Practical Financial Education Resources for Your Community.**” The conference will be a one-day resource event, to be held at the Great Norther Hotel in Helena on February 23, 2010. Pam Krueger and Jack Gallagher from the PBS TV show **Money Tracks** will be keynote presenters at the conference (morning session) and at the fundraising dinner to be held the evening prior to the conference at the Federal Reserve. Michelle Green, Deputy Assistant Secretary of the Treasury for Financial Education, has been invited as the conference luncheon keynote. Sue has drafted a simple RFP for workshop presenters to submit proposals. Funds raised via sponsorships and the fundraising dinner will be re-granted in mini-grants (via an application process) to conference attendees to purchase and/or implement FE programs or curricula in their communities during April – Financial Literacy Month. The preliminary budget Diana presented anticipates a minimum of 10 x $500 grants. The budget is conservative; we may be able to offer more than 10 grants. The committees listed below were established. Diana has done a great job chairing the conference planning team. Thank
you Diana! All board members are encouraged to participate on at least one committee, so please review the following and let Diana Holshue know which committee you would like to participate on (Diana.holshue@mpls.frb.org):

5) **Workplan Review.** Jolene quickly reviewed highlights and updates in the revised MFEC workplan. Board members may review these updates in the work plan distributed by Jolene via e-mail in the board meeting materials.

6) **Treasurer’s Report.** Karen Smith noted that we have approximately $6,000 in the MFEC account.

7) **Bylaws Review and Director attendance at Board meetings.** The board discussed issues with low board member attendance at board meetings. As with this meeting, low attendance where a quorum is not present prevents the board from conducting some portions of business. Pertinent bylaw provisions were reviewed:

   - Director attendance – the Board will meet a minimum of four times per year. Directors are required to attend a majority of the meetings. Participation by conference call will constitute attendance. Directors may appoint representatives from their respective organizations to attend on their behalf, although consistency in representation is strongly encouraged.
   - Voting by proxy is permitted in limited circumstances only.

8) **MFEC Board Officers Election.** The following new officers were elected by motion, with new terms to begin November 1, 2008:

   - Jolene Bach – President
   - Sue Woodrow – Vice President
   - Karen Smith – Treasurer
   - Kelly Bruggeman - Secretary

9) **2008 Workplan Review.** The following summarize the key highlights from the board’s workplan review:

   - **Goal One, Objective Two** - deleted from the workplan Discussion Item: “Develop A Shared Teacher Program Pool”

   - **Goal One, Objective Two** – Jolene will explore the possibility of currently committing one of RDI’s Americorp VISTA volunteers to work part-time as the MFEC coordinator, with the possibility of committing a full-time VISTA volunteer to this role beginning in July 2009. This would allow Jolene, as the new MFEC president, to have a VISTA volunteer working directly under her supervision serving as the MFEC coordinator. **Jolene will report back to the board as to whether this proposal can be implemented.**

   - **Goal Two, Objective Four** – the board revisited the issues surrounding the term “partner.” Variny provided information about other Jump$tart coalitions and
how they label “partners, “members,” etc. Bob Vogel suggested the term “Friend of MFEC.” The board also discussed how to better communicate benefits of being a partner, friend, etc. **Jolene will contact Karen Anderson from the California JS to find out how they encourage partnerships.** As part of this discussion, social networking opportunities such as utilizing NING, FaceBook and My Space were also discussed. **Kelly Chapman will send information to the board about setting up a site in NING.**

- **Goal Two, Objective Five – Local Chapters:** Karen provided information about the Missoula Financial Educators’ Alliance and a new local group in Billings focusing on financial education. Sue noted that we need to be more proactive about ensuring that information and links for these types of local initiatives are put on the MFEC website.

**Local Workshops:** In addition, the board reviewed the format and interest shown in the four MFEC foreclosure workshops conducted in December and January. It was agreed that this format seems to work well, and that there would likely be interest for more foreclosure as well as investor workshops. A working group was created to begin planning local workshops on these topics: Bruce Brensdal – chair, Karen Nebel, Laura Henton, Jolene Bach, Karen Smith, and Sue Woodrow. **Bruce will organize a planning call.**

- **Goal Three, Objective Three** – Karen shared information about the “211” service, and the board concluded that it is not a good fit for the MFEC. Accordingly, this item was deleted from the workplan.

10) **National Jump$tart Update.** Variny provided a brief overview of initiatives, leadership changes, and events for the National JS. She encouraged attendance at the April 2009 JS Coalition Leaders’ Conference in Washington D.C., and noted that there are discussions about hosting a Western States JS Leaders meeting in San Francisco in early 2009.

11) **National JS High School Survey.** Bob V. raised an issue about the challenges in recruiting high schools for the JS Survey. Of particular note, some school districts require permission at the district level for participation in surveys, which is a problem in recruiting school participation given the fairly short turnaround time to solicit participation. Variny noted that JS has heard that this is an issue in several states, and will raise this concern at the national level.

12) **Strategic Planning Session.** Karen discussed the need to hold a strategic planning session in the near future, and suggested that the board should utilize an outside facilitator to work with the board in this process. **Janet and Maria will provide contact and cost information for potential facilitators to Karen.** Karen will send out a Meet-o-Matic notice to set a date for this session in late August or early October.
13) **Helena Education Foundation.** Karen noted that she will be facilitating a “financial education” discussion table at the *Great Conversations* event in Helena in November.

14) **America Saves.** Kelly B. shared information about Yellowstone County’s participation in the “America Saves” campaign. The board agreed to follow the progress of the county’s initiative and add the initiative to the MFEC website.

15) **Financial Education Programs.** Kelly and Marsha shared, respectively, information about Susan Beacham’s new program components, and the “Sammy Saves” program.

Before adjourning, the board thanked Karen for her leadership over the last two years. We are privileged to have Karen working for us and with us, and are grateful she will be continuing to serve with us on the MFEC Board.

The meeting adjourned at 12:40 p.m.

Respectfully submitted,

Board of Directors’ Meeting

Tuesday, December 8, 2009
Montana School Boards Association, Helena, MT.

Meeting Minutes

(Action items in Bold)

Present: Directors Karen Smith, Marsha Goetting, Bruce Brensdal, Bob Vogel, Jolene Bach, Annie Goodwin, and Sue Woodrow. Ben Marks (RDI Vista) was also present.

A quorum was present

MFEC President Jolene Bach presiding.

1) Approval of Meeting Minutes. The June and September 2009 minutes were approved by motion with one minor correction on the June minutes.

2) MFEC Bylaws Review. Jolene and Sue reviewed MFEC bylaws provisions pertaining to attendance and proxy voting. Specifically, the bylaws state: (1) directors must attend at least two board meetings annually or shall be considered for removal; (2) proxy voting is permitted in the limited circumstance where one director is designated a proxy by another director in writing on a specific item or items; (3) directors are encouraged to invite representatives from their respective organizations to attend board meetings and serve on MFEC committees, but attendance by a representative does not constitute a director’s attendance nor does it count toward a quorum.

3) New Director Discussion. The Board discussed possible director candidates. Jolene indicated that Connie Granger, the new executive director for the Montana Council on Economic Education (MCEE) has asked to be invited to serve (replacing Norm Millikin, the recently retired ED for the MCEE). The Board agreed to unanimously that the invitation should be extended. Jolene will follow up with Connie. Bob Vogel has had initial discussions with Dennis Parman, deputy superintendent of the Office of Public Instruction (OPI). Bob said Dennis indicated that he or Denise Juneau (superintendent) are interested. Bob will follow up with Dennis. Jolene will also follow up with the Montana Society of CPAs to determine if there is interest in having a representative on the MFEC board.

4) 2009 Workplan Review. The following summarize the key highlights from the board’s work plan review:

- MFEC VISTA: Jolene noted that the MFEC will have a full-time dedicated VISTA volunteer beginning mid-January. The VISTA – Thomas Schumann – will be hosted by and officed at Rural Dynamics, but the $4,500 fee is being paid by MFEC. The
VISTA will work on items such as MFEC website development and maintenance, the e-newsletter, development of policy positions for the 2011 state legislative session, partner development, and other MFEC administrative duties. There was discussion about the sustainability of this work when Jolene’s two-year term as president is up, and if the MFEC is not in the position to fund a VISTA in future years. Jolene noted that the VISTA will be creating a guide for the website to enable maintenance and updates by others.

- **Goal One, Objective Two** – Jolene will explore the possibility of currently committing one of RDI’s Americorp VISTA volunteers to work part-time as the MFEC coordinator, with the possibility of committing a full-time VISTA volunteer to this role beginning in July 2009. This would allow Jolene, as the new MFEC president, to have a VISTA volunteer working directly under her supervision serving as the MFEC coordinator. **Jolene will report back to the board as to whether this proposal can be implemented.**

- **Goal Three, Objective Three** – Karen shared information about the “211” service, and the board concluded that it is not a good fit for the MFEC. Accordingly, this item was deleted from the workplan.

5) **National JumpStart Update.** Variny provided a brief overview of initiatives, leadership changes, and events for the National JS.
